BUSY TIMES AT MANLUS.

St. John's School Occupied With Drills, Football and Gym Work.

MANLUS, N. Y., Nov. 15.—At St. John's school, where the state chess champion, the state basketball champion and the state football champion are being trained, the students are busy with their studies and sports. The school is located on a large tract of land facing Franklin Park where there are ample facilities for summer and winter sports, as well as the regular school work.

The Roxbury Latin Athletic Association starts the year with a new constitution. The new plan includes an annual meeting of the association, a new school, a system of teacher-manager and the athletic teams, a teacher secretary and treasurer and an executive committee of the association. The committee is to be made up of the principal and the recent graduates of the school.

The school has been very fortunate this year through the kindness of H. E. Dodge, of Detroit, who has donated a modern gymnasium to take the place of the old gym, which was in need of repair. When the new gym is ready, it will be a great boon to calisthenics as well as to athletics, as it will not only furnish the gymnasts a stamping ground when the outdoor gym becomes uncomfortable through extreme cold, but will furnish the basketball team a fine court which will obviate the necessity of going to Manlius to practise every afternoon.

The military work has progressed very rapidly, the infantry companies B and C rapidly becoming prepared to close and defend a trench, drill, manual of arms and exercises, while troop A is fast approaching unity in its cavalry tactics.

The Roxbury Latin School is well represented again on the Harvard football team. Francis O'Brien seems undoubtedly to be the choice for the position of Wingate Hollins is a promising candidate for the back field.

The faculty of the school is the same as last year, except that N. H. Black has returned from Germany and his substitute, L. S. Thompson, goes to the Mall in H. S. School.

Time and careful attention are given to this most important phase in each cadet's training, and everybody works hard to attain perfection, with the Government inspection next spring in prospect and the cadets' own examinations in June.

Capt. Kimball is to be commended for producing unity and a good ensemble in the band in such a short period, and the band, in diversity and collectively, deserves credit also for its good work, which renders it possible for guard mountings and inspections to take place with music, to say nothing of the weekly exercises.

formed. Last week strenuous football practice was brought to an unexpected close by the defeat of the Marlin team by the Syracuse team. The latter's victory over Hinghamton it was thought St. John's would at least hold the college to an even score. The game was played in the Syracuse stadium Saturday, November 1, the entire corps going to Syracuse to witness the contest. In which the cadet team was easily defeated and more experienced aggregation.

Halloween was celebrated by a mass parade through the city streets, and with much St. Patrick and merry and ridiculous.

lous were the fantastical costumes thought up by the cadets. The Straw Man and Rip Van Winkle were well represented and received prizes in the first class, while Billy Boy, the "leading lady" of the school, ramped off with the honors.

ACTIVITIES AT ROSEMARY HALL.

Leisure Time Is Filled With Club Doings and Athletics.

GREENWICH, Conn., Nov. 8.—The English Club of Rosemary Hall held its first regular meeting last week. The club members saw Enoch Robinson and his company in "Helen's" last month, and the fifth and sixth "Termers" were allowed to go to New York to see S. them and Mary-Love play "Macbeth," as this play is prescribed in their English course.

Mrs. Clara Ford of the music department will give short recitals on the organ every Wednesday evening after chapel service. The lower lights of the chapel window, which were put in during the summer, are very beautiful. The whole design symbolizes education in its various phases.

About thirty girls have qualified for membership in the glee club, and much interest is exhibited in organizing a madolin and violin club. The French Club gave its next entertainment of the season last Thursday.

The fair which was held recently in the gymnasium under the direction of the alumnae and former students netted over \$250, which will be devoted to charitable purposes.

An illustrated lecture on Egypt was given at the school the other evening by C. F. Smith, who is now in the army.
